

RESCUING CHILDREN LAUNCHING THIS FALL

NORTH COUNTY,
SAN DIEGO

18TH JULY 2024

Dear Family, Friends, and Kingdom Partners,

Allegiant Academy began as a dream shared by seven homeschool families who realized there was no part-time high school program providing solid Biblical education in North County San Diego. With God's help and after many months of planning, our vision is turning into a reality. Allegiant Academy will launch THIS fall!

We see that the current educational model in America is broken; this upcoming generation has the highest rates of anxiety, depression, and atheism in the history of America. Allegiant Academy will foster an environment that supports the whole family while providing kids a better way of learning. Our revolutionary educational model and schedule allow for a more personalized learning experience that aligns with our Christian values. Allegiant Academy is committed to providing 9th - 12th graders with a rich education that equips students to think critically, discern truth from lies, live faithfully, and impact the world for the Kingdom.

Launching Allegiant requires a great deal of time, energy, and support. We'd like to share several ways you can partner with us for a successful first year.

PRAYER: Would you remember Allegiant Academy students and staff in your prayer time? Prayer is powerful and effective! We know God wants to radically impact all those involved in Allegiant.

PROMOTE: Will you tell others about our program, connecting us with families or potential teachers? We hope to continue building a robust program with unique classes and electives.

PROVIDE: It is our humble prayer that you would consider financially contributing to our program to cover our operational costs for this first year. We are hoping to raise \$100,000 by December. A gift of any amount will help us tremendously! To make a contribution, scan the QR code below to make a tax-deductible donation online. You may also write a check to our planting nonprofit, "Redeeming Roots Inc," with memo: Allegiant Academy, and mail to the address below.

We are extremely grateful for your consideration to support this important work. We truly covet your prayers, as we will always face opposition in our efforts to disciple the next generation.
